# Lookin' Back

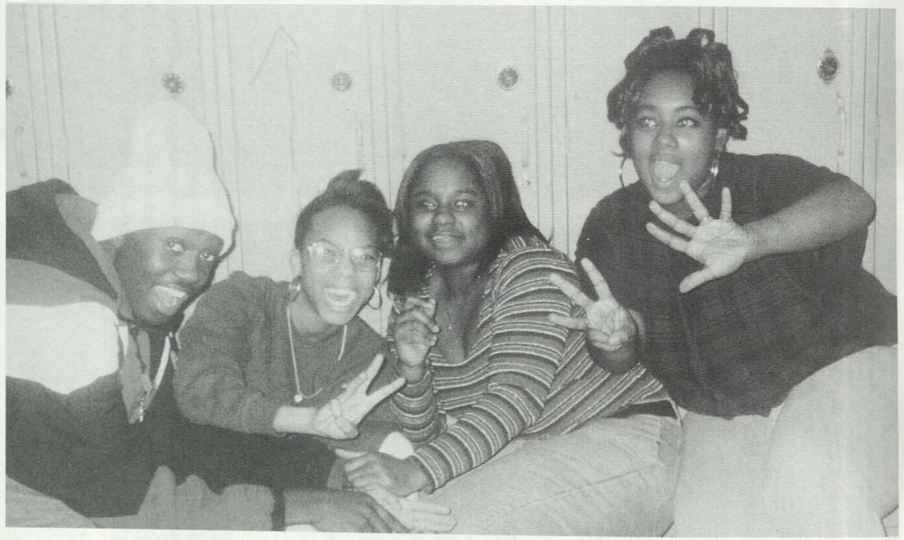
My fondest memory of Wyandotte High is, most likely, of the teachers and staff members.
It is not how they viewed me as an upperclassman as I strolled across the stage, but rather what passed when I was a freshman and sophomore.

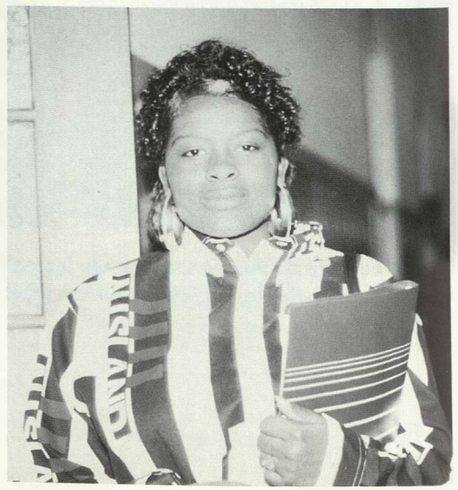
I remember some of them saying amongst themselves that I was just like the rest. That I should just drop out and get a job so I would be out of their classes.

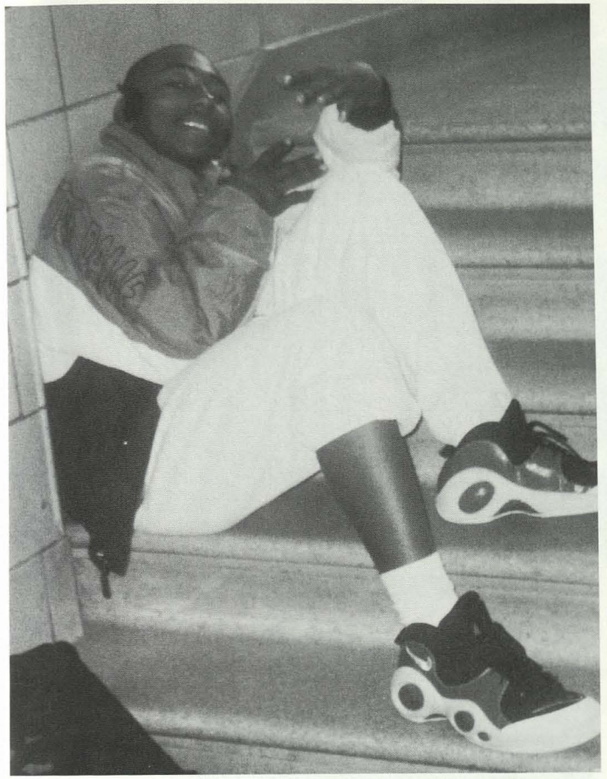
Many teachers thought that I was going to drop out a long time ago. But I didn't and never even planned on doing it.

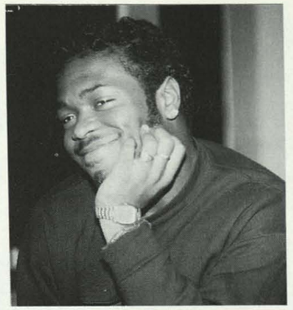
Now I say to everyone who doubted me, I made it to my senior year and now I'm outa here.

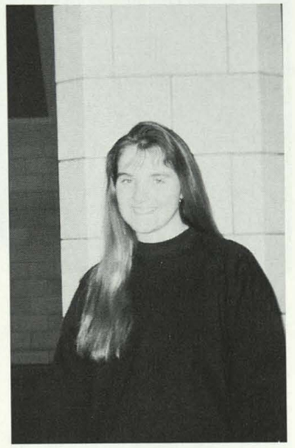
*Darrell Derritt*

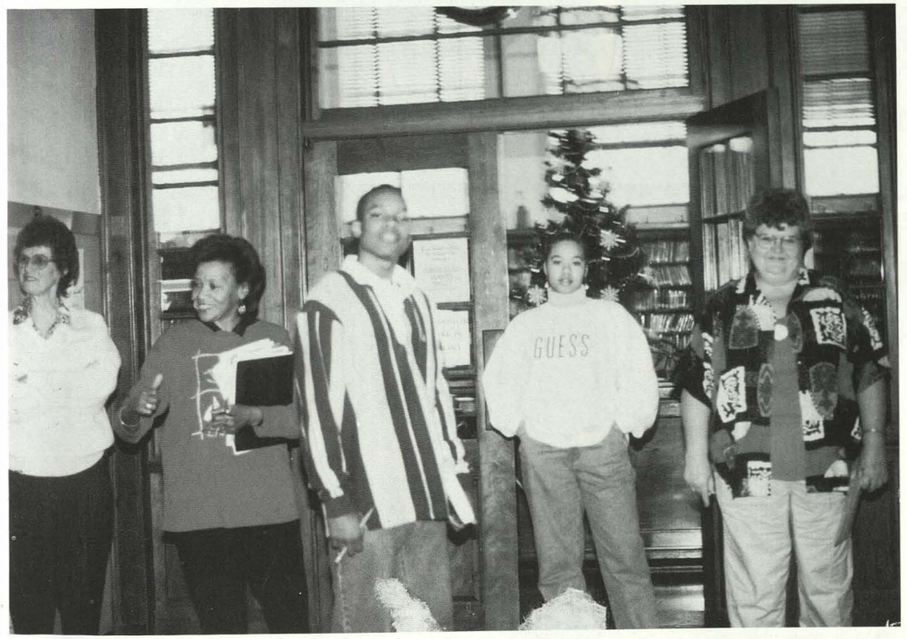












Our Classes

High school, our last four
years through funny times
and heartache tears. As a
class, we will all stand
together, remembering one
another, now and forever.

The freshman class of
ninety-nine
barely out of middle school,
living through the daily
pain
because the upperclassmen
can be cruel.

The sophomore class of
ninety-eight
starting jobs and getting
cars
special qualities and talents
discovered
the best class, the sophomores are.

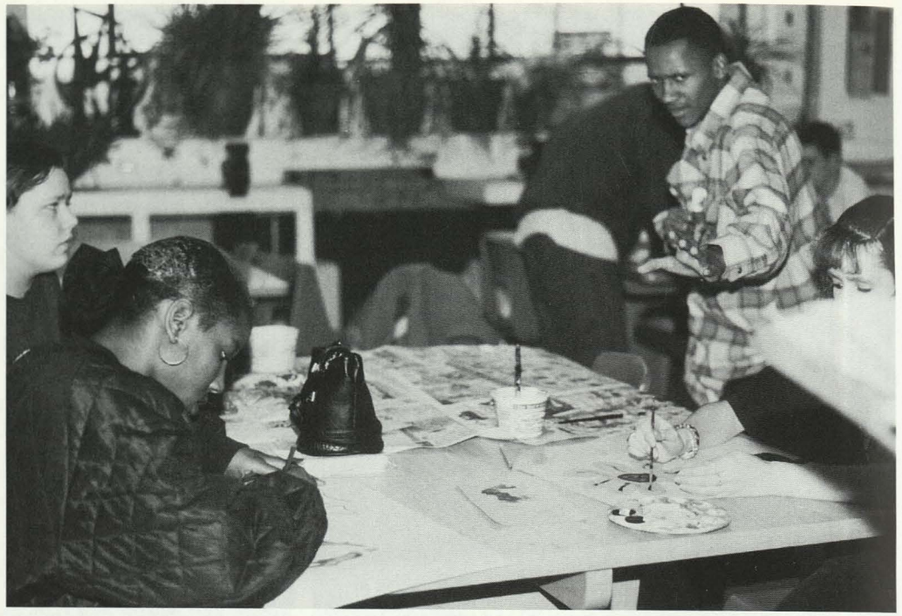
The junior class
of ninety-seven
looking at the future,
college and more
trying to figure out the
future
and exactly what life has in
store.

The senior class of ninety-six through ACT's. SAT's, and college entrance exams they made it through and proud as possible
with all those late night test crams.

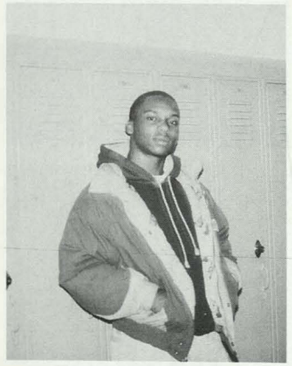
We are not just four
separate classes
we are Wyandotte High as
a whole
and proving we are the
greatest
is our important school-wide goal.

*Melissa Knight*

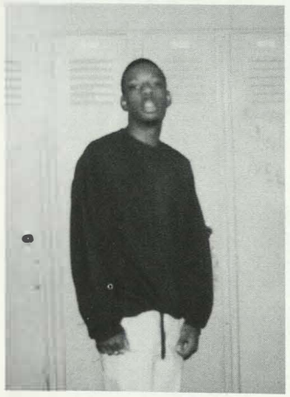
# The Way I Feel About You



Girl, can't you see that I'm crying out for you? Don't you know that I need you so? I don't know what I did to make you cry; but somehow my tears fell from my eyes when you said goodbye. Now my life is still and cold like the winter snow. Time goes by and days get longer without you in my arms.



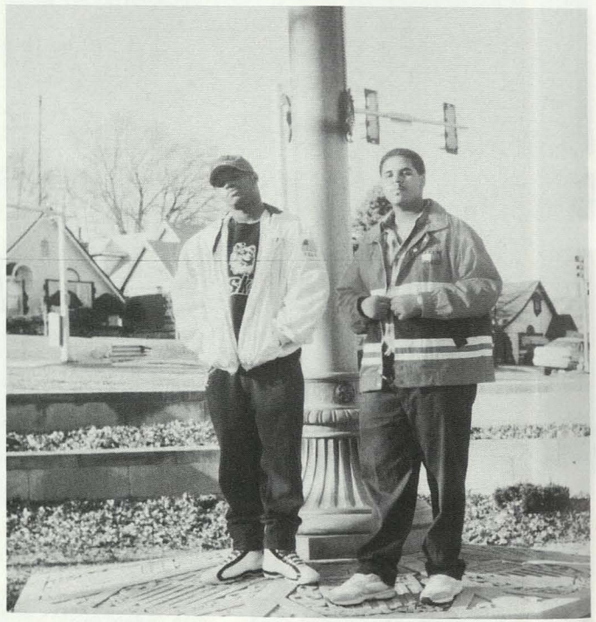
And now spring comes. I watch you go by, days by days, with a rose in your hand. Hoping to find true love in your dreams.

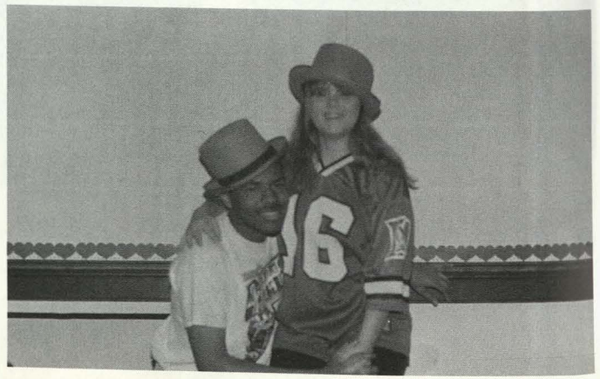


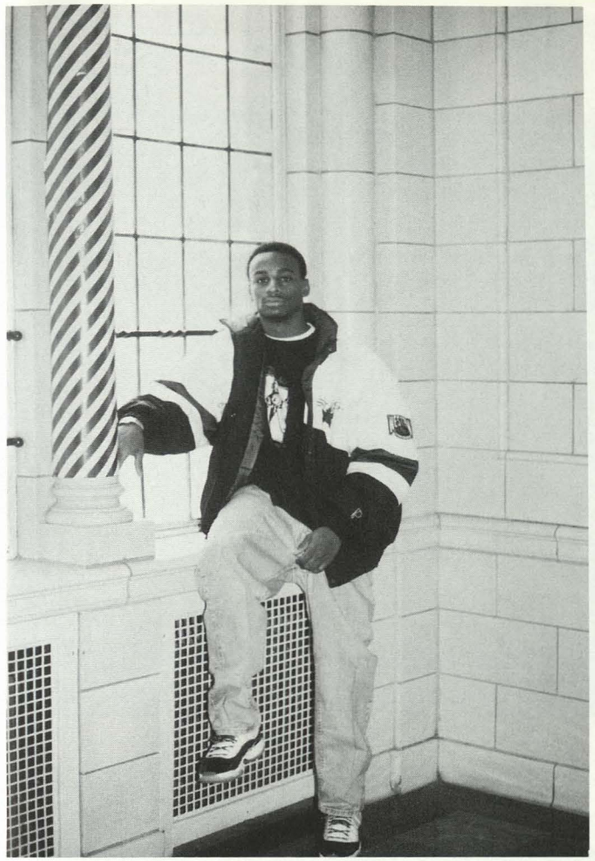
Summer comes. I cry out for your return, hoping that you can hear me cry for you.

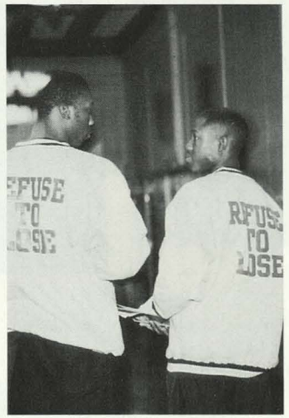
And when fall comes, I see you with someone else, When winter comes, I sit in the winter cold with a dying rose in my hand.

*Charlie Souvanh*



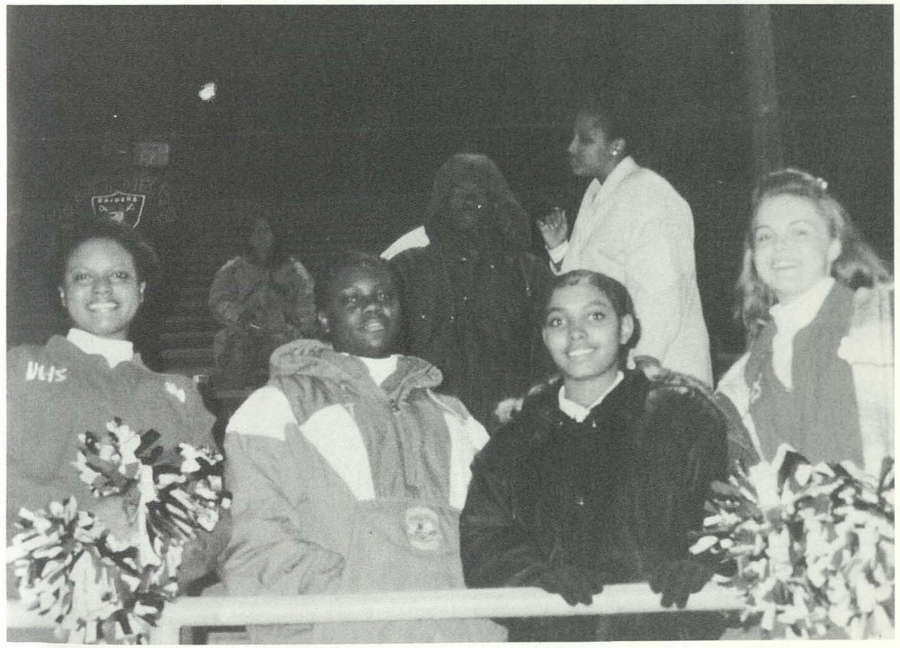






Wyandotte has had many good moments.
Last year on the track team, we won the League title at Washington. This year I was on the Kansas All Metro First Team Defense. But, most of all, it will be that I will graduate from Wyandotte High.

*Phengsy Rattanavong*



My Darling Tamara,

You made it through ( without a doubt ) All twelve years of school with our support and motivationand God's blessings. Thank You for the respect that you have exemplify to others.

I will never , nor will your father ever forget these tender years. With our heavenly fathers guidance no matter what you do , where you go or what you accomplish in life we will be there for you my little darling Tammy. We will forever Love & Adore you

# Good Luck Bert!

After 31 years of coaching track and 20 of those years at Wyandotte, Dave Bertholf is retiring. Coach Bertholf will retire from teaching and coaching to begin work for the Fellowship of Christian Athletes (FCA) here in Kansas City next year.

Under Coach Bertholf Wyandotte has won league track championships in 1976-77, 1980-83, 1986-90, and 1995. Wyandotte won regional championships in 1982-83, 1986-90, and 1992. Wyandotte won state track outdoor titles in 1977, 1981, 1987, and 1992. The 1977 win of the state outdoor track championship was ranked third in the nation. Wyandotte has won more league and state championships than any other league school. Under Coach Bertholf Wyandotte has established the "Big Red" tradition in track.

We at Wyandotte want to wish Coach Bertholf who is one of the most respected teachers and coaches at Wyandotte and the state of Kansas. Good Luck and thank you for all the memories. Bert, you will always be a Bulldog!

Even on Crutches Coach Bertholf never missed a game!
